SILAGE STRETCH FILM

WITH POST-CONSUMER RECYCLATE

DUO PLAST is one of the first producers in Europe to show its commitment to sustainability and environmental awareness in all product areas with its „Foot-print“ series.

Sustainability and quality „Made in Germany“.
Let's make the world cleaner together.

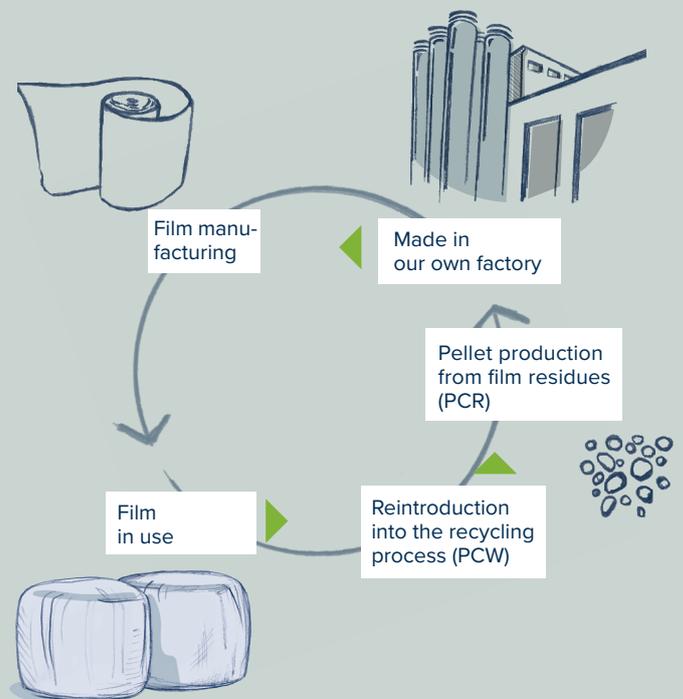

YOUR BENEFITS ADVANTAGES

- Proven and practice-approved DUO-PLAST quality
- No differences in film processing
- With a high percentage of post-consumer recyclate
- Conserves resources even during production
- Up to 9-ply blown film for maximum silage quality
- Optimal oxygen barrier and high adhesive strength
- No telescoping of the rolls
- No contamination of the pre-stretching rollers
- Quiet roll-up behaviour

▶ THE SOLUTION FOR YOUR SUSTAINABLE AGRIBUSINESS
